

**It's Time For
Church!**

It's Sunday morning, what a beautiful
day! We're ready to go...let's be on
our way!
It's time for church!

There's our church! Let's go in.
It's almost time for Sunday school to
begin.
It's time for church!

First, we check in to show we're here.
Put my nametag on - show my name
big and clear.
It's time for church!

Mom and dad take me to my class -
goodbye! Hugs and kisses - I'll see
you soon, no need to cry.
It's time for church!

It's clean up time, I put toys away.
We sing a few songs to prepare for the
day.
It's time for church!

Now I sit in my chair, it's story time
again! I learn from God's true Bible,
so glad God's my friend.
It's time for church!

Worship time is here, many songs to
sing. I sing real loud those songs to
my King!
It's time for church!

Go back to my class now, my friends
and me
To sit down for snack time, more fun
it will be!
It's time for church!

The day's almost over, church has
been fun.

Won't forget the Big Idea, I'll tell
everyone!

It's time for church!

Mom and dad pick me up, what a
wonderful sight!
The time passed so quickly. Wow!
They were right!
It's time to go home!
