Reunion

Our desire is to...

engage, educate, and equip
Eastview parents to turn the tide
against the decline of the family
in our culture, and encourage
them to take intentional steps
toward healthy Christian homes.
We hope that by providing some
resources, you will have tools in
hand to equip you for the journey.

Eastview's Parenting Plan

Text #parentplan to 309.808.6002

A simple step-by-step plan for raising your child in the faith. Each year on your child's birthday (birth through high school graduation) we will provide you with a new booklet to help you focus on one aspect of your child's life and spiritual formation. Each booklet contains helpful information on developmental milestones, simple ideas for passing on your faith in everyday rhythms, as well as practical ways to speak into their lives. Every parent wants to be a good parent – this could be your next step.
