## A dinner party with Jesus - Luke 10:38-42 NIV

• It's entirely possible to become worried, upset, and embittered if we fail to "choose the better."

## Choose the Better

- We purposely prioritize healthy rhythms of practicing Jesus
- The "better" is choosing to be with Jesus, become like Jesus, and do what Jesus did
- The "better" is knowing Jesus more and becoming more like Jesus
- The "better" is letting Jesus become the primary fixation of our lives
