Jesus Lives Here:

TURN ON THE POWER!

How long can you live without power? A day? A 1/2 day? An hour? Try it and be amazed at how many times we reach for something that enhances our lives with power!

Ok! Turn it back on! NOW remind your child what the Israelites had forgotten when they were caught between the Red Sea and the Egyptians—God's power is always there! Like the Israelites, sometimes we forget to remember His power and call on it!

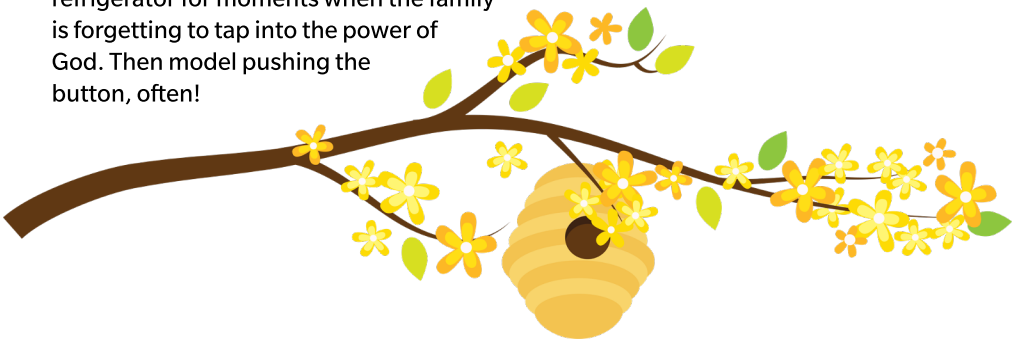

You might want to have the kids draw a "God Switch" and put it on the refrigerator for moments when the family is forgetting to tap into the power of God. Then model pushing the button, often!

All About Our Big Ideas:

These are simple phrases that grab the meaning of the story your child hears each week.

Usually they are the same as the Big Idea the rest of Eastview Kids is learning — often we simplify complex or very abstract phrases.

This week's "**God is Great**" is an important truth for your child to grasp as he or she is beginning to learn about who they can always turn to for help!

Upcoming Stories:

September 25
God Cares for Us! - Manna and Quail - Exodus 16

Today's BIG IDEA:
GOD IS GREAT!

Today's Story: The Red Sea - Exodus 12-14

BIBLE WORDS: "Love God and others" - Luke 10:27
