

WHAT IS CIY MOVE?

The High School Ministry attends the CIY MOVE Conference every year. This week is the biggest event we do all year for Eastview's students currently in 8-11th grade. The whole week is designed to amplify the call of Christ on students' lives to become Kingdom Workers. The week will include high-energy worship services, some of the nation's best speakers, small groups, recreation time, food, fun, and more (You can check out this year's theme at ciy.com/move). God's Word will be clearly communicated through artists, musicians, videos and other various means. Everything is designed to help students worship, encounter, and grow in their relationship with Jesus Christ. This can be a very emotional, freedom-filled week. If you have any concerns whether this is an appropriate event for your student, please contact Mel Roberts at mroberts@eastview.church.

WHERE IS CIY MOVE?

This event takes place on the campus of Hope College in Holland, Michigan.

WHEN IS CIY MOVE?

HOW MUCH DOES IT COST? HOW DO I SIGN UP?

Online registration can be found at eastview.church/move

WHAT DOES A TYPICAL DAY LOOK LIKE AT MOVE?

Each day the students will attend a morning session where they will participate in a worship service that includes the theme for the day, games, worship, and a message given by the various speakers. Students will also be briefed on the activities being put on that day during the afternoon free/recreation time.

At the conclusion of this large session, students meet with their small groups for some reflection and daily challenge time before heading to lunch. In the afternoon, students

have the freedom to choose from a list of workshops, sports activities, shopping in the downtown area or just hanging out with friends.

After dinner, students will be challenged in their faith journey through high-energy, interactive worship and dynamic preaching with different speakers each night. Students will then conclude their evening in their small groups discussing their day.

WHAT ARE NEXT STEPS AFTER MOVE?

Baptism: When we get back, we hope all students who feel led to be baptized will talk with their parents and our staff. We would love to help them walk through this special next step in their faith journey!

Small Groups & Serving: Every student will get a link via text on the last day of MOVE to allow them to sign up to join a small group and to serve at Eastview. This journey of following Jesus is a personal one, but never a private one. We were all created to do life with each other in community! Eastview also believes that serving in our church every week is one of the most effective ways to live out your faith and increase your involvement. We will be sharing more about serving in the weeks following MOVE.

CIY FAQs:

Is there a way to follow the week and get updates of what's happening at MOVE?

Yes! You can follow our Eastview High School Ministry Facebook page and Instagram feed for pictures and updates throughout the week. We will provide a link to a daily recap video on both of our social media sites. You can also download the CIY MOVE app to see real-time schedules and updates each day.

What if my child has to take medication?

Students are responsible for their own medication. If special arrangements need to be made with your student's medication, please email mroberts@eastview.church with the details of your request.

What do sleeping arrangements look like?

We are staying in the dorms at Hope College Holland, Michigan. There will be one dorm for boys and one dorm for girls. **Each student will be responsible for bringing a pillow and bedding for a single mattress.

What kind of supervision will there be?

For MOVE, your student will be put in a small group with an adult leader. In addition to small group time, these groups will travel together, room together and sit in the main sessions together. Students will be required to check-in with their small group leader throughout the day as well. Staff, medical professionals, small group leaders and security personnel stay in the dorms with the students.

Can my child invite a friend who does not attend Eastview?

Absolutely! This is a great event to invite friends to!

How much money should I send with my student?

Usually students bring between \$50-\$75 for coffee/snacks/eating out/shopping at free time while they are at the conference. This includes three “on your own” meals: lunch on the bus trip to MI, lunch on Thursday, and breakfast on the bus trip home on Saturday.

What type of transportation do you use?

We will be taking charter busses with bathrooms on board.

How are small groups formed?

Small groups are formed by combining 2 sources: current small groups (ones that meet throughout the school year) and the list of 3 students each applicant names as their “small group friend requests”. We do our very best to honor the friend requests so that each student has at least 1 of their requests in their group. Please understand that this will sometimes lead us to adjust current small groups **FOR THE WEEK OF MOVE ONLY**.

How do you determine room assignments?

Very little time is required to be in the dorm rooms other than getting ready and sleeping. Therefore, room assignments are determined by the student’s small group in order for small group leaders to better meet with and supervise their group.

How will I receive communication once my student is registered?

You will receive a confirmation e-mail once your student has successfully registered for the trip. Any further communication including additional announcements or information will come through e-mail.
